The Huttlestonian

Colophon

The yearbook staff came up with the theme, shades of blue, based on the FHS school colors that are blue and white. Different shades of blue are found throughout each section of the book. Senior editors, Kristen Plummer and Emma Sherman, designed the cover.

The Huttlestonian 2011 was advised by Jo-Anne Charette. It was printed by Lifetouch Yearbooks in Love Parks, Illinois. The publishing representative was Katherine Curley. There were 112 copies printed in our press run. The book covers events from fall 2010 through most of spring 2011. The font used was Times New Roman.

The cover is a custom design Litho Cover in full color process ink. The trim size is 8 x 10.5. The book is a tight backed binding of 150-point binder board. The yearbook staff produced the entire book online using the Lifetouch Yearbooks, Volumes Premier Online program.

Senior portraits, underclassman portraits, school activities, and sports teams were photographed by Mare Studios and Galleries, Center Street, New Bedford, Massachusetts.

Dear Class of 2011,

For the past few years I have gotten to know you. I'm sure I speak for the entire Fairhaven High School family when I say it has been an honor to serve you. I challenge each and every one of you to make the most of the future that lay before you.

Although you will likely go in very different directions, I am certain that the strong foundation you had here in Fairhaven will give you the ability to accomplish anything you set your mind to. Find something you love to do, make a difference, and stay grounded.

Remember, you will always be a Fairhaven High School graduate. Wear that honor with pride, for you have just joined the ranks of many wonderful men and women who have come before you. You now also have the ability to pave the way for all of those waiting to follow in your footsteps.

Make the most of your future.

Sincerely,
Mrs. Tara Kohler

Nichole Brigger

Nicole Brigger has been a FHS English teacher for nine years. One of her favorite memories at Fairhaven High was the Class of 2009 Prom. She was advisor for the class of 2009, and she enjoyed seeing all of the seniors dressed up and having fun. She was very excited for the seniors and class officers on their graduation day. Mrs. Brigger will be moving to Frisco, Texas and will be continuing to teach.

"There's no way I'd want to give up teaching high school," she said. Her favorite aspect about teaching at FHS is the growing process each student undergoes.

"I've gotten to watch them mature throughout their time here," she added. "They come in as new freshman sometimes intimidated by high school and other times eager to get into high school life. By the time they graduate, they're looking towards college with the same excitement and nerves. I feel honored to have been a part of that."

Mrs. Brigger would like to thank the staff and students who have made her time at FHS terrific. Mrs. Brigger was a dedicated English teacher, and students could always go to her for help. We all wish her a good luck and a happy future.

Meredith Emery

Meredith Emery has been a FHS science teacher since 2001. She has many favorite memories; however, her favorite memory over her 10 years as a teacher was when the varsity football and varsity basketball teams beat Wareham on their home turf in 2009. The Fairhaven High Blue Devils had given Wareham their only loss of the season. It was a very exciting time for sports at FHS.

After leaving Fairhaven High, Mrs. Emery will be working as a teaching consultant. Her favorite part about teaching here is the students. She has built strong bonds with many that will live with her for the rest of her life. Students will remember Mrs. Emery as the fun, loving, and hilarious science teacher who has always made her class fun. Her upbeat personality came across in her work, and her class will never be forgotten.

"To all my students past and present, thank you for your love and support," she added. We will miss you Mrs. Emery.

Jane Pease

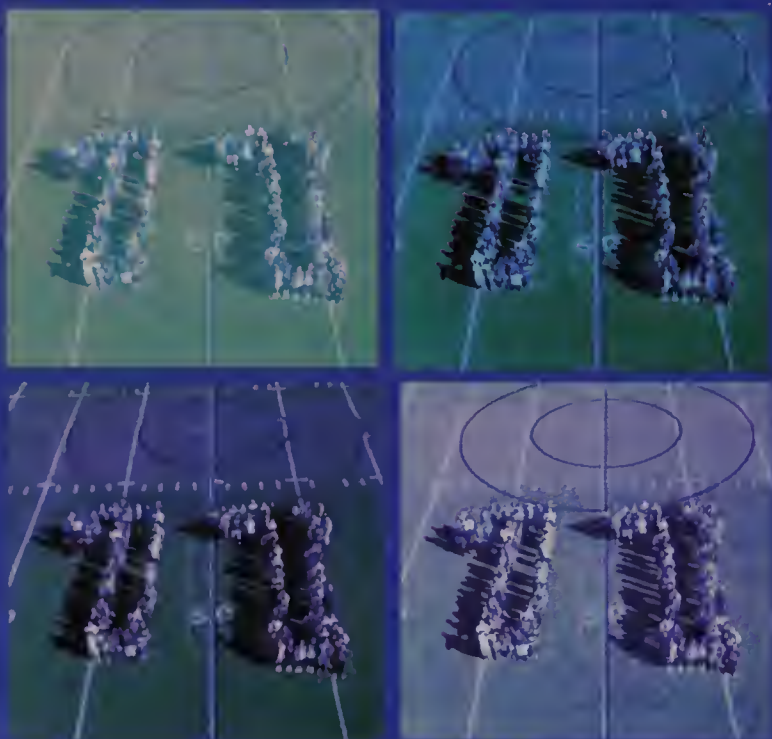

Jane Pease has been a nurse at FHS since 2000. Prior to that, she was a nurse at the elementary level. Her favorite memories over the years at Fairhaven High are all of the Spirit Weeks and the traditional Junior Days. After she retires, Mrs. Pease plans to go to Alaska with her husband this summer. She also plans on going to the Azores with her husband this coming September to see her son and his family. She also plans on traveling to other destinations in the future. Mrs. Pease loves how small the school is and how everyone has such a close bond with one another.

"I like the feeling of family at FHS," she said, an FHS graduate herself. "I can still remember my Junior Day."

Mrs. Pease says she's thankful for the education she received at FHS. "It helped me to become a nurse, and now 40 years later, I am leaving once again to face new challenges."

Mrs. Pease has always been there to help the students of Fairhaven High School. The FHS students will never forget you Mrs. Pease.

Blue often symbolizes friendship. Blue symbolism affects many areas of life, including clothing choices, language, and clichés. The color blue is often associated with freedom and new beginnings. Blue skies are emblematic of optimism and better opportunities. Often used to relax, blue represents peace, escape, and dreams. Light blue is specifically associated with understanding, love, and happiness. Blue is the coolest color of the rainbow.

Turquoise a member of the blue-green family that is named from the gemstone Turquoise. It is the symbol of youth and has a soothing effect. It also has been used in amulets to provide confidence and is used to show the emotion of happiness.

To the class of 2012,

We are more than halfway through our high school career, and all I keep thinking is where has the time gone? I remember our first day walking in and thinking how scary the next four years of our lives were going to be. The last three years have gone by faster than anyone could ever imagine. We are going to be leaving this "scary place" next year and moving on to the real world.

I would like to thank each and every one of you for voting me as your class president thus far. Through the thick and thin times of our lives think of this quote: "The more difficulties one has to encounter, within and without, the more significant and the higher in inspiration his life will be." We have one last push in our high school education, so make the best of it and keep striving for what you want.

Faculty and Staff

Blue is seen as trustworthy, dependable, and goal oriented. As opposed to emotionally warm colors like red, orange, and yellow, blue is linked to consciousness and intellect. The color of the sky and the ocean, blue is perceived as a constant in our lives. It symbolizes trust, loyalty, wisdom, intelligence, and faith. Darker blue is a symbol of truth and moderation.

Prom 2010

From Court (left to right):
Prom Queen Kristen Plummer, Prom King Zach LeBlanc, Princess Danielle Caron and Prince Sean Allaire.

Prom 2010 was held at the Hyatt, located on Goat Island, which is just off the coast of Newport, Rhode Island. Before prom began, the juniors and seniors gathered in the Performing Arts Center for Promenade, where prom king, queen, prince, and princess were announced. The winners were King Zach LeBlanc, Queen Kristen Plummer, Prince Sean Allaire, and Princess Danielle Caron. After Promenade, students boarded the buses and began the beautiful and scenic journey to Goat Island. Previously, the junior and senior classes raffled off tickets to win a limo to prom with ten friends. Senior Patrick Berry was the lucky winner. The theme for Prom 2010 was Around the World, and students picked passports that led them to their tables. Throughout the night, they enjoyed a dinner of either steak, chicken or a vegetarian special and danced the night away. After-prom at FHS started at midnight. The After Prom Committee had numerous activities, such as the Bungee Run, Money Booth, and Boulder Dash. A variety of snacks were available such as Italian food, a chocolate fountain, custom smoothies, and other refreshments. Prom was truly a fun-filled and fantastic evening. Thanks to the After Prom Committee for throwing an excellent party!

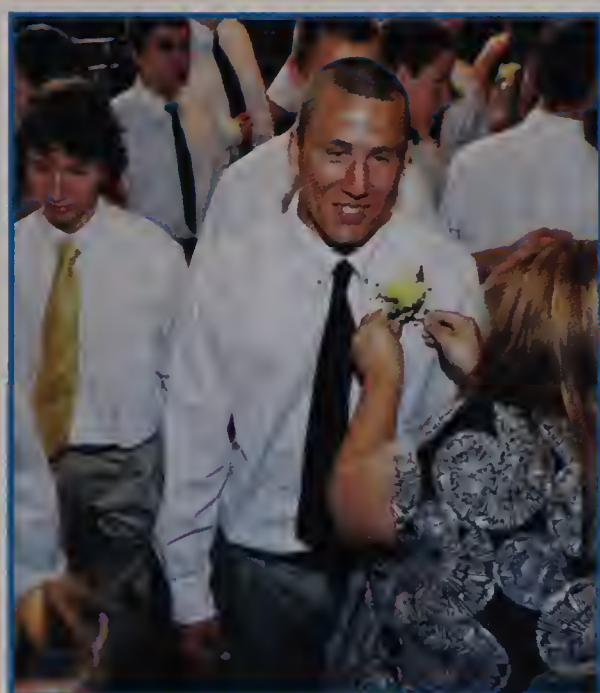

Junior Day 2010

Fairhaven's annual Junior Day celebration is an ongoing tradition for all students of Fairhaven High School. Dating back to the 1920's, Junior Day has always been the Friday before graduation. This is the first time the seniors are in caps and gowns, as they pass down the role and responsibility of being seniors to the junior class. There are various awards given to students from academics to sports achievements, and everything in between. The unique Junior Day "walk" is a choreographed march that the students perform as they enter and exit the gym on Junior Day and graduation. Junior girls typically wear white dresses and carry yellow roses while the junior boys wear a white dress shirt, khaki pants and a yellow rose boutonniere. Junior Day is a special rite of passage that is valued by the Fairhaven community. At the 2010 Junior Day ceremony, senior Rose Oliva was the first president in history to wear not one, but two robes to pass to the co-presidents of 2011, Doug Braley and Amelia Katan.

PEP RALLY BLUE AND WHITE DAY

Spirit Week is the essence of Fairhaven High School. Monday was Senior Day, which is the most exciting day for the graduating class. They are the only class allowed to dress up, and they usually decide on a theme. This year, the class officers of 2011 chose 90's Pop Culture. Tuesday through Friday, the rest of the school is allowed to dress up. Tuesday is Pajama Day, Wednesday is Mix-Match Day, Thursday is Costume day, and Friday is Blue and White Day. At the end of Blue and White day, the school gathers in the gymnasium to watch performances by the fall sports teams and the band. This tradition is called The Pep Rally. The Pep Rally never fails to be an energetic way to capture our school spirit...just in time for the homecoming game!

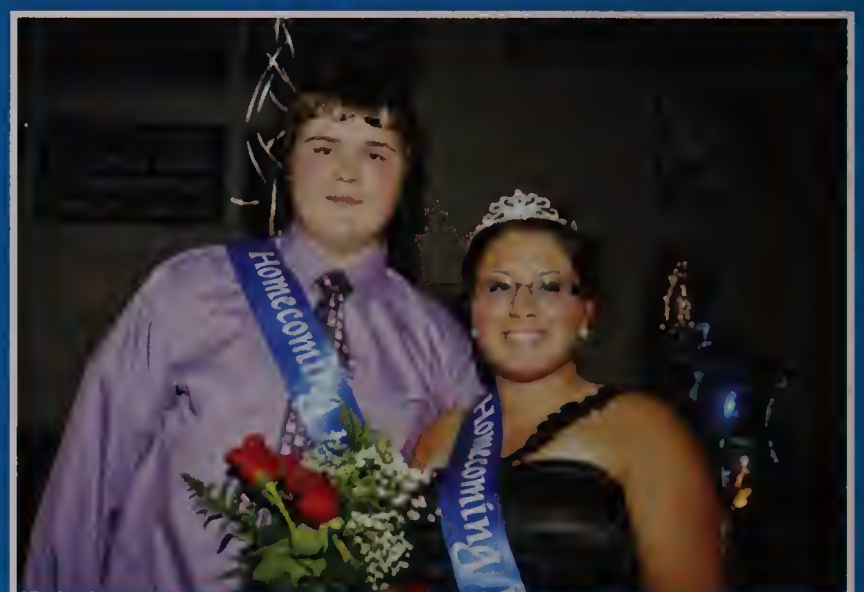

Homecoming 2010

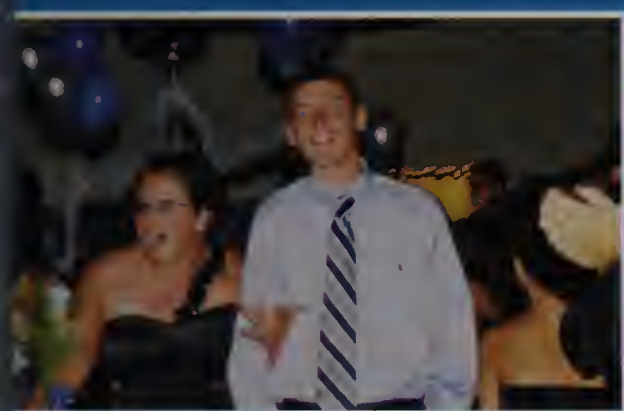

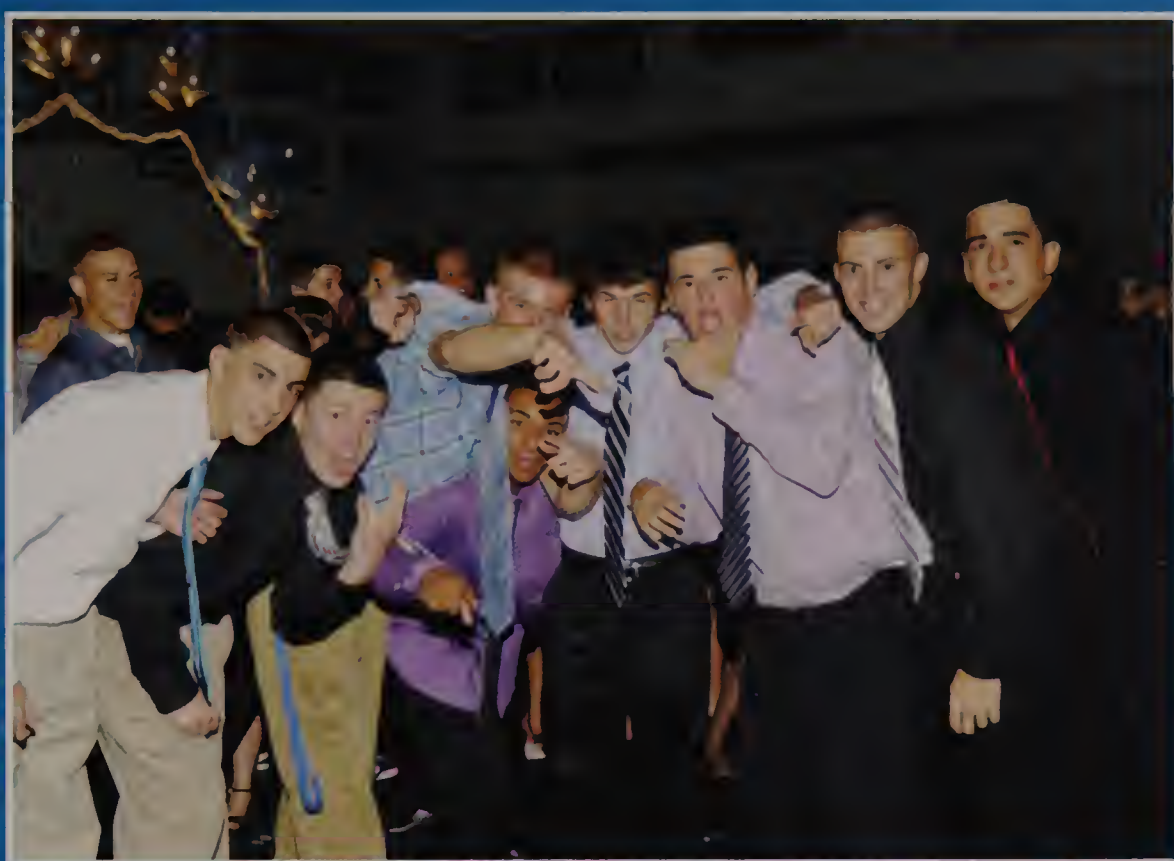

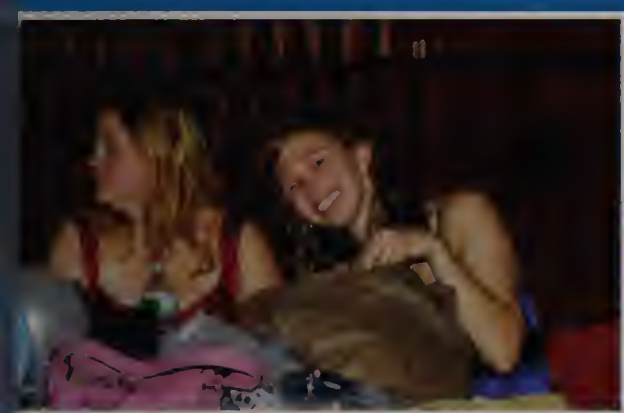

Fairhaven's 2010 Homecoming Dance was held on Saturday, October 23. At the end of Friday's pep rally, the cheerleaders (who are also in charge of putting on the dance) announced Homecoming Court. Each year the cheerleaders choose twelve students (two from the freshman and sophomore classes and four from the junior and senior classes) for Homecoming Court based on the amount of creativity and participation shown during Spirit Week. Upon arriving to the dance on Saturday night, each student receives two votes to determine Homecoming royalty. Once the votes are calculated, the football players escort the cheerleaders to the stage, followed by the Homecoming Court to announce the winners.

FHS Exchange Students: Fun in Fairhaven

Fairhaven High School annually hosts international students for the year to be integrated in all aspects of the school. In the past, Fairhaven has traditionally hosted one or two students. This year is a big one, with three students coming from three different countries around the world. Fairhaven High 2010-2011 is proud to host Risa Hiyama, Lisa Draxler, and Daniel Doydora from Japan, Germany, and Philippines, respectively. Their diverse cultures and customs bring a new experience to the FHS students. Let us have a closer scoop of this year's exchange students.

What country are you from and can you tell us something about it?

Risa: I live in Tokyo, Japan which is a very big and crowded city. I love going out with my friends. We love to take pictures in the photo booth machine and sing karaoke. I went to a private school in Tokyo, so I had to use the subway. It took me an hour to get to my school in Japan.

Lisa: I'm from Germany. I live in a big city, and we use buses and taxis to get around instead of cars. At school, we have a 20-minute break in between each class, where we can go outside and relax when it's warm. We don't have a lot of fast food chains in Germany. On weekends, my friends and I go shopping, out to eat and go to clubs.

Daniel: I am from the Philippines. It is a tropical country and is mostly warm the entire year. There are a lot of beautiful white beaches because it is an archipelago which is composed of 7,107 islands. I go to a private Catholic high school and I have to wear a uniform every day. We have McDonalds and Dunkin Donuts all over the city. It's a really great place.

What's your favorite thing about Fairhaven High School?

Risa: I like it that the school looks like a castle! Also, my teachers and friends are amazing. I love the activities too. (Risa was a member of the JV field hockey team and the school band.)

Lisa: My favorite thing about Fairhaven High is the opportunity for me to play sports. I enjoy cheerleading, and I'm so happy to be a part of the team this year.

Daniel: My favorite thing about Fairhaven High is the freedom the students have to choose their own classes. It's so interesting how the school offers a variety of art courses for everybody ranging from traditional art classes to special ones like Ceramics and Graphic design classes which I had the chance to take.

What's your favorite thing about America?

Risa: I love my friends and family who are so sweet, lovable and friendly.

Lisa: I like my friends and the school. I love the food here too.

Daniel: The snow. I didn't experience snow in my country because it is a tropical place so it's mostly warm all year long except for monsoons and rainy months. But now, I'm starting to dislike the snow because it's too cold for me.

What was the hardest part about this whole experience?

Risa: Making new friends and missing my family and friends in Japan.

Lisa: Living so far away from my family and friends in Germany.

Daniel: Living in a new environment, going to a new school and trying to cope with everything.

Do you know what you want to be when you grow up? If so, what?

Risa: I want to speak more than four languages and travel to a lot of countries. I want to marry a man who can play baritone and have a room for me to do oil painting.

Lisa: After high school, I want to study fashion design and travel a lot.

Daniel: I'm still deciding between the fields of medicine and art. I know they are both in a different spectrum, but I enjoy all aspects relating to them both. I love doing art and I love studying the human body (Mr. William's Anatomy).

Favorites

Daniel enjoys photography and is a member of the Yearbook staff. His favorite class is Ceramics. He also loves Mac & Cheese and watches American Idol, Prison Break, Jersey Shore, NCIS, and SpongeBob!

Risa plays field hockey and lacrosse and participates in the marching band and French Club. Her favorite class is marching band. Her favorite food is soup made by her host mother, Mrs. Fields. She also watches Dexter and Big Brother!

Lisa enjoys cheerleading and plans on playing lacrosse in the Spring. Her favorite class is Ceramics, and she likes all American food. Her favorite shows include Project Runway, Jersey Shore, and The Simpsons!

Right: Daniel is a very talented photographer and has taken all the pictures above. Many pictures you find in the yearbook were taken by Daniel. He also designed and created many of the collages.

Winter Concert

The Winter Concert took place first on Dec. 21st for the public and on Dec. 23rd for the school in the Performing Arts Center. The Orchestra, Band, Jazz Band, Mixed Chorus and the Concert Choir put on a magnificent show containing an assortment of carols and holiday jingles. Also guest speaker, Pete Braley, narrated one of the Band's musical numbers called "The Bells of Christmas." Seniors Kelsey Rapoza, Tim DesRoches, Mia Katan, Kristen Fields, and Doug Braley gave beautiful solos that wowed the audience and showed the hard work and dedication it takes to put on a successful show. The Concert was indeed a great success and put both the audience and performers in the holiday spirit.

Winter Semi-Formal

The 2011 Winter Semi-Formal was held on Saturday, Jan. 22, 2011 in the high school gymnasium. The dance was sponsored by the senior class of 2011. After experimenting with an eccentric Masquerade-Themed dance last year, the senior class chose to keep it simple by throwing a Semi-Formal. Although last year's Masquerade was a hit, the Semi-Formal had a higher attendance. The seniors were able to relax and enjoy themselves after breaking even (\$800) in ticket sales at the door. The seniors sold glow sticks and dozens of different baked goods and drinks. Fun 107's own Michael Rock and Scott Reiniche were the DJ's for the night. Overall, the Semi-Formal was a success, and brought in over \$200 in profit to help with the expenses of the Junior/Senior prom in May.

Jekyll & Hyde

The Fairhaven High School Drama Club staged the Broadway musical theater phenomenon Jekyll and Hyde on Thursday, March 31, through Saturday, April 2, at 7:30 p.m. and Sunday, April 3, at 2 p.m. The tickets were priced at \$15 for adults, \$12 for students and seniors, and \$10 for children 12 and under. The show took place in the Performing Arts Center at Fairhaven High School.

Jekyll and Hyde is an evocative tale of the epic battle between good and evil. Jekyll and Hyde is based on Robert Louis Stevenson's classic story about a brilliant doctor whose experiments with human personality create a murderous counterpart. Convinced the cure for his father's mental illness lies in the separation of man's evil nature from his good, Dr. Henry Jekyll unwittingly unleashes his own dark side, wreaking havoc in the streets of the late 19th century London as the suave maniacal Edward Hyde.

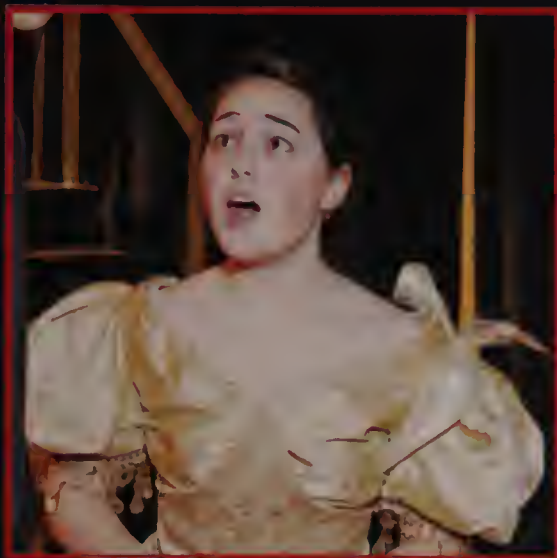

The musical was produced by Rick Brejcha, directed by Sarah Martins and choreographed by Brandon Carreiro. Doug Braley was cast in the dual role of Dr. Jekyll and Mr. Hyde. Starring roles also included Amelia Katan as Lucy Harris and Sylvia Pacheco as Emma Carew.

Other cast members included Christian DuBois as Sir Danvers Carew and Cameron Souza as John Utterson, as well as 25 other cast and crew members.

Sports

Blue is an energetic color that allows us to look beyond and increase our perspective outward. Electric blue or brilliant blues become dynamic and dramatic and are engaging colors that expresses exhilaration. Blue is a perfect color to get pumped up for a game! It also provides a feeling of strength and commitment.

The Fairhaven High School Football team seemed to face tough deficits, but their morale and determination carried them through the 2010-11 season. Captains Sean Allaire, Zach LeBlanc and Tanner Kisla led the fairly young Fairhaven team through a rebuilding

season. Offensive leaders, Allaire, LeBlanc, Kisla, Billy Pires, Ryan Baldwin and Connor Flynn all contributed to the Devils' scoring

opportunities. Meanwhile LeBlanc, Kevin Pacheco, and Kyle Botelho led a strong and unified defensive end, which stood as a major disadvantage to their opponents. Although they did face some setbacks, they never gave up. They continued to play for not only themselves, but for their devoted fans.

Fall and Winter Cheerleading

This past fall, Fairhaven High School's cheerleading team added two new banners to the collection of 21 already hanging in the gym. The Blue Devils won the 22nd banner after winning first place at the South Coast Conference Cheerleading Championships on Saturday, Oct. 30 at Dighton-Rehoboth High School. They beat Greater New Bedford Voc-Tech, who scored second place and Case, who scored third, by a 10-point margin. The second banner of the season was won at the MSSA South Regional Championships on Sunday, November 14th at Dartmouth High School. They scored first place, just 3.25 points better than second place Archbishop Williams. After their win at the South Regional competition, the Blue Devils qualified to compete in the state championships the following Sunday at Woburn High School. The Lady Devils scored fourth out of 10 teams at states. The cheerleaders who participated in this competition were: freshmen Ashlie Jiggins, Mariah Nicholas and Sadey Tavares; sophomores Samantha Botelho, Lisa Draxler, Jayne Faria, Abby Landry and Kayla Teixeira; juniors Alysha Gomes, Megan Haaland, Elizabeth Laflamme, Tori Paiva, Erin Rego, and Lecanne Swire; and seniors Shawynee Finnen, Brittney Romero and Courtney Tavares. The girls were coached by Meagan Rudenauer and Alyssa Marshall.

"We set high standards in the fall," said senior captain Shawynee Finnen after a very successful fall season.

During the winter season the cheerleaders participate in several competitions both in and out of the school's conference. On Sunday, Feb. 13, the girls returned to Dighton Rehoboth for the SCC competition with a slightly smaller squad for the winter season. Fairhaven proved that size doesn't matter after scoring first place by an astounding 17 point margin.

"It's a winning routine this year," said senior Courtney Tavares, "We have been taking mistakes from the fall to improve this season." In second place was Case High School followed by DR who scored third.

Before regionals the cheerleaders performed in two invitational competitions and scored first place in both. The first invitational competition was on Feb. 20 at Chicopee High School and the second was on Feb. 27 at Shepard Hill High School. On March 6,

the cheerleaders went to regionals at Dartmouth High School. They scored second place right behind first place Arch Bishop Williams by four points.

After qualifying for the state competition, the cheerleaders took the floor at Wachusett Regional High School scoring second place in the State Competition, which qualified them for the New England competition in Providence, Rhode Island. When their season finally ended, the cheerleaders were able to walk away with an impressive 7th in New England title.

It seemed like Fairhaven High School had not witnessed an intense season in quiet a while, but that all changed when the 2010-11 volleyball team took the floor this year. Led by captains Sarah Leidhold and Kelsey Perron-Sovik, the volleyball team reached new milestones, claimed multiple awards and an unforgettable banner for the gym. They made history, brought an entire school to their feet, and made a whole new name for the Fairhaven volleyball program. They ended their incredible season at 20-5, with 4 out of their 20 wins on the tournament trail. However the season did not stop there. Juniors Kelsey Perron- Sovik and Kara Charette both qualified for The Standard Times Super Team, Senior

Sarah Leidhold and Junior Kayli Moniz qualified for the Standard Times Second Team, and Sophomores Kay Mullen and Ashley Brown were nominated for Honorable Mention.

For the Fairhaven Field Hockey team, this season was like no other season recognized by the program. In one very season, they managed to break team records, win against teams that were once untouehed, and make history. Captains Kathryn Higgins, Alexandra Fonseca, and Jane Lamarre led the fairly young team through the 2010-11 "debut" season. They had arrived and became an unsuspected contender in the South Coast Conference.

These accomplishments would not have been possible without the entire team. From the defensive end of the field to the offensive end, they connected, pushed each other, and never gave up. One of the greater advantages for the team was their defensive force, which included senior goalie Lauren Crosson, Kristen

Fields, Abby Saba, Lindsey Pires and Serena Vega. Led by senior Kathryn Higgins, a cohesive midfield unit of Alex Fonseca and Mara Hartig became a connecting link between the two ends. An offensive end of Jane Lamarre, Katie Wordell, Alex Saulenas and Jessica McKenna gave the Devils many of their scoring advances.

Both Higgins and Crosson were nominated for The Standard Times All-Star team, while Hartig and Lamarre were nominated for honorable mention.

The Fairhaven Girl's Soccer team had a spectacular and suspenseful season this year. The collaboration of a strong overall defense, midfield and offense led them to their two tournament appearances. Kayli Berche, Brenna Santos and Emma Morehead were strong contenders on the Devil's aggressive offense. Berche earned South Coast Conference All-Star Honors. Also earning recognition from All Star's Second Team was senior sweeper Christina Pottel. Pottel anchored

a strong defense, along with the Honorable Mention nominee, Harriet Beaulieu. Also contributing to a strong defense and midfield was Jill Sylvia, senior goalie Brittney Teixeira, Corrine Fortin and Ashley Pereira.

Fairhaven's 2010-11 Boy's Soccer team made an immense improvement from the previous year. From the very start of the season, there was a clear sign that they were going to make it far, and that Fairhaven was going to be introduced to a whole new team of soccer superstars. Although they faced some injuries, they had each other's back to fill in any position on the field. Captains Jacob Dompierre, Devon Arnold,

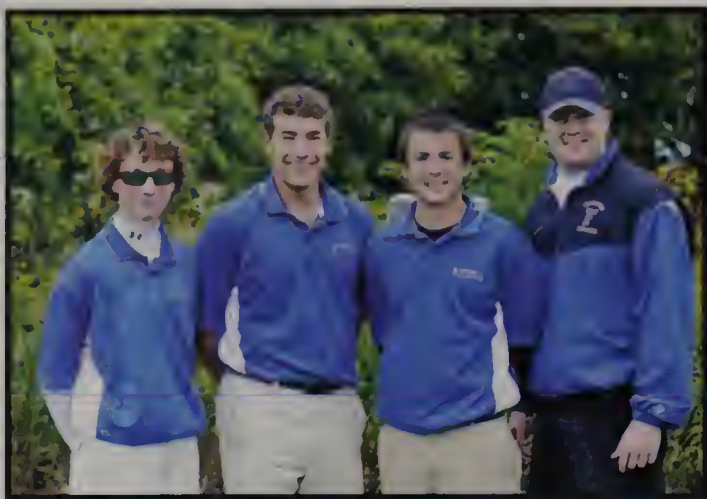

and Nik Coelho led their team through a suspenseful season, including a tournament night appearance at home. Standard Times All-star, Jacob Dompierre, led the strong offense force. Also contributing to the Devil's scoring opportunities was a

mixture of a midfield force, including Devon Arnold, Andy Espindola, Nik Coelho, and Alec Dompierre. Holding down the defensive end was Brandon Bousquet, Tim Hopp, Cody Napier and goalie Joey Foote. Foote was also a recipient of a Standard Time's All-star title. Senior Devon Arnold was nominated for Honorable Mention.

For the Golf team, the 2010-11 season was a suspenseful one. With multiple victorious wins and tournament appearances, this was one of the most successful seasons for the Fairhaven golf program.

Leading the Blue Devil golfers were Captains Brad Carvalho, Kit Costa, and Sean McLaughlin. The team consisted of what The Standard Times referred to as "the same group of guys." However with the addition of Tyler Hemingway, the golf team improved from last year's record of a 4-16 season, to a 12-8 season.

Hemingway was nominated for The Standard Time's Super Team. Also receiving recognition was Carvalho, who was nominated for Second Team, and Costa, who was given honorable mention.

Cross Country

Although the Cross-Country teams may have been small in numbers, they weren't lacking in commitment. Fairhaven High was introduced to many new faces, and the particularly young team is looking to the future.

Leading the boys were freshman Max Charette, sophomores Seth Guillotte, Jackson Oliva and Craig Lewis, and freshmen Michael Eckenreiter and Muhammad Quraiishi.

For the first time in many years, a team of eight girls was formed but injuries plagued several, and they did not have enough to compete. Kellie Ruccolo, Paige Teves, Anna Gray-Jenney, and Molly Nunes ran most of the races. Injured runners included Danielle Coderre, Amanda Lopes, Meaghan Medeiros and Peyton Tanguay.

One of the highlights of the season was beating Wareham. The young runners have the talent and determination to grow into a successful cross country team in the future.

The Fairhaven girls basketball team came out strong and delivered in their 2010-2011 season. Led by senior captain Brittney Teixeira, the Devils completed their season with a SCC record of 14-2 and a final overall record of 17-7.. Coached by Jeffrey Perry, they set out to break new records and bring their school to their feet, which is exactly what they did. Leading players, including Texeira. Kelsey Perron-Sovik, Kara Charette, Kayli Moniz, Rebecca Larson, Ashley Brown, and Kay Mullen, all dominated the court with their

telepathic teamwork. Their connecting teamwork led to an eight-game win streak from Jan. 18 to Feb. 15. Charette was the leading scorer for the Lady Blue Devils, with a 20.5 PPG and with the leading rebound

average of 12.0 RB. She also reached a tremendous milestone, by excelling over the 1,000 career point mark as a junior. With the great support of their team and their school, they achieved excellence in the 2010-11 season. With the chant, "We Still Love You" in mind, the Fairhaven Girls Basketball team is sure to come out even stronger and faster in the upcoming years.

The FHS boys varsity basketball team was selected to be a part of the TD Bank WOW! Kids' Clubhouse on Dec. 31, 2010. It's a partnership between TD Bank, the Boston Bruins and the Boston Celtics to bring deserving children to a home game at the TD Garden. The FHS boys had the experience of a lifetime, riding round trip in a Super Stretch 23 Passenger Escalade Limousine.

As the Fairhaven boys basketball team took the court this year, we all expected them to achieve excellence, but they surprised us all by going the extra distance and not letting anything get in their way of success.. Coached by Phil Harding, the Devils took their 2010-11 season by its horns. Led by senior captain Adam Mullen, the boys completed their season with a final overall record of 11-10. They won major games including a thrillingly close home game against Wareham and the famous Old Rochester game where Adam Mullen ended with a victorious half court shot with only seconds left on the clock. The Blue

Devils' strong teamwork was a key advantage for the team. As a major offensive player, MVP Adam Mullen ended with an average of 22.3 PPG. Billy Lessa, Jacob Carvalho, Dylan

Pietraszek and Kevin Pepin were also strong offensive leaders for the Devils. They also had great defensive players including Matt Wordell, Roger Evans, Tanner Kisla and Jacob Carvalho who was also named defensive player of the year for the Blue Devils. Brad Carvalho and Bobby Perry were also essential supporting players for the Blue Devils. Billy Lessa and Jacob Carvalho were nominated for Honorable Mention on the SCC All-star team. Mullen was also nominated for the SCC Super team. This season was a successful one for the boys, which we should see more of in the coming years. Be on the look out for upcoming players Ryan Baldwin, Peter DeTerra, and Dan McLaughlin.

Captain Adam Mullen took home the Dave Cowens Achievement Award for 2010-11. He & brother, Liam (Stang, 2004), are the first brothers to win in its 22-year history. Mullen finished his three-year varsity career at Fairhaven with more than 900 points. The 2-time SCC All-Star was the area's leading scorer this season with 23 points ave. per game.

The girls winter track team accomplished many milestones, made new records, and had one of their greatest seasons during the 2010-11 winter season, finishing 4-6. Boys Winter Track

The Fairhaven boys winter track team was faced with a small roster in their 2010-11 season. Despite a somewhat small group of guys, the Devils continued to push themselves on and off the track, stayed committed to their team, and met some of their goals. Runners including Jake Dompierre, Doug Braley, Austin Cintron, Nik Coelho, Tyler Pereira, Kyle Everett, Seth Guillotte, Alec Dompierre, and Craig Lewis were all great additions to the fairly young team. Four of the Fairhaven boys went to the Division 4 Championships to run in the 400x200 relay. The 4x200 relay team of Braley, Dompierre, Coelho and Pereira placed 11th at states and missed the school record by less than a second. Everett and Pereira were the Devils' secret weapons in the high jump. Throwers, including Corey Nunes and Ryan Cabral, also achieved excellence in the shot put. The young team is hoping the addition of eighth graders will help their program to expand next year.

The Old Rochester Regional/Fairhaven High School ice hockey team ended their 2010-11 season with the overall final score of 11-9-3. Coached by Scott Hartley, they qualified for the state tournament for the 6th consecutive year.

Throughout the season, senior captain Ray Lawton led the

Bulldogs/Devils with his speed and intensity on the offensive end for the mixed team. Also assisting on a fast and skilled offensive end was FHS alternate captain Sean Allaire. Fairhaven's junior goalie Trent Bertrand and freshman Alex Silva were key players for the Bulldogs'/Devil's defensive and overall force.

Lawton qualified for The Standard Times All-Star Super Team leading his team's offense with a scoring record of 23-21-44. Coach Hartley credited Lawton for his strong leadership skills on and off the ice and his relentless use of fore-checking and back-checking. He also recognized Lawton for his consistent dedication to the team by never taking a practice or day off. The Bulldogs/Devils look forward to the next season and plan on going far in the tournament. Be on the lookout for a strong senior performance by Trent Bertrand and an emerging sophomore year for current freshman Alex Silva.

L-R: Alex Silva, Raymond Lawton, Coach Peters, Trent Bertrand, & Sean Allaire.

Baseball

As the Fairhaven High baseball team takes the field this 2010-11 season, fans should anticipate big things to happen. Coached by Rudy Bulgar, the Devils have a prominently mature team. Seniors including Zach LeBlanc, Adam Mullen, Sean Allaire, Nate Winterson, Bobby Perry, Dylan St. Pierre and Zach Rodrigues expect to lead the team into a successful season. Alongside the seniors, juniors include Ryan Magano, Billy Lessa, Andrew Ferreira, Joey Foote and Dylan Tichon, who also all aim to assist their seniors in a hopeful and victorious baseball season. Be on the look out for underclassmen Ryan Baldwin, Drew Wethington and Carlos

Rivera, to be strong additions to the team.

Also suspect and seek the return of last year's pitchers, Mullen and Lessa, to achieve excellence on the mound, while possible catchers LeBlanc and Wethington hold down their home plate. The 2010-11 Fairhaven boys baseball team, with the support of an optimistic Coach Bulgar, is sure to go far in the season and possibly even reach the coveted ranks in states.

Girls Tennis

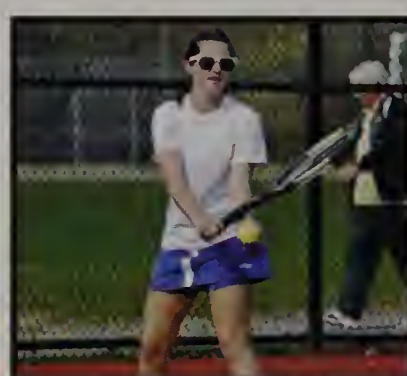

As the Fairhaven girls tennis team takes the court this year, they hope to continue the same success they had last year. Coached by Tara Costa and Conrad Gallant, they aspire to lead the fairly small team into another successful and victorious 2010-11 season.

As seniors Christina Pottel, Harriet Beaulieu, Sylvia Pacheco, Kristen Plummer, and Emma Sherman carry the Devils into their promising season, they are accompanied by experienced juniors including Michelle Westgate and Kara Charette. Also expect a solid performance by sophomores Emma Morehead, Farah Gillette, Missy Berry, Miranda Branco, and Veda Krol. Be on the look out for returning varsity players Pottel, Beaulieu, Westgate, Charette, Pacheco and Morehead. Pottel, who was voted a Southcoast Conference All Star, hopes to remain in the top spot at number one for singles. Beaulieu is also suspected to move into number two spot from third singles. Also in the mix, Westgate should move into the third singles spot from second doubles.

Returning players in doubles include Kara Charette, Emma Morehead and Sylvia Pacheco who rotated first and second doubles teams last year. Also looking to make an appearance are Sherman, who was out last year due to injury, and Berry and Gillette. A small group of freshmen should also make their mark on the team. The girls tennis team is prepared to go far into the season, and hopefully even making it to the matches of the state championships.

Student Teacher Flag Football

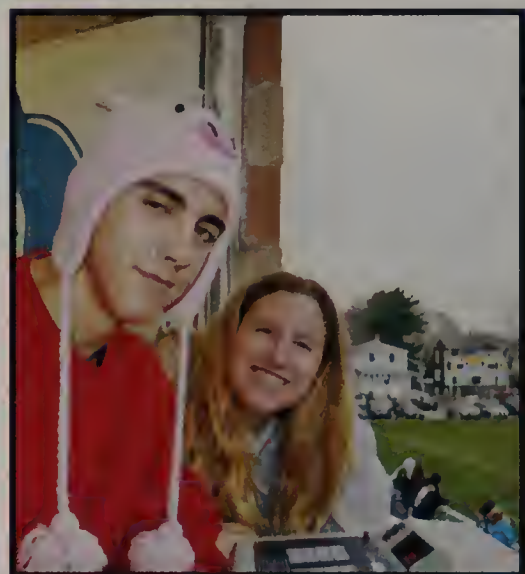

After losing the first flag football game in early fall, the teachers challenged the students to a rematch. On Nov. 23, the teachers had their day. They successfully outran the students and fought their way to a tough, 42-30, victory. The teachers started out fast when Mr. Greg Davis intercepted a pass and ran for a 60-yard touchdown to give the teachers a 6-0 lead. The teachers went up for good when Mr. Benjamin Hevey scored on a ten-yard pass from Mr. Mike Richardson to make it 12-0.

The students would not go down easy and kept the score within six points until the half. The students were led by Brittney Teixeira, Ashley Brown, Roger Evans, Doug Braley, Sean McLaughlin, Adam Mullen, Chris Costa, Nick Monticello and Brad Carvalho who all played well, but not well enough.

The teachers had only six players and no subs for most of the game but used a complete team effort to win over a very confident student team.

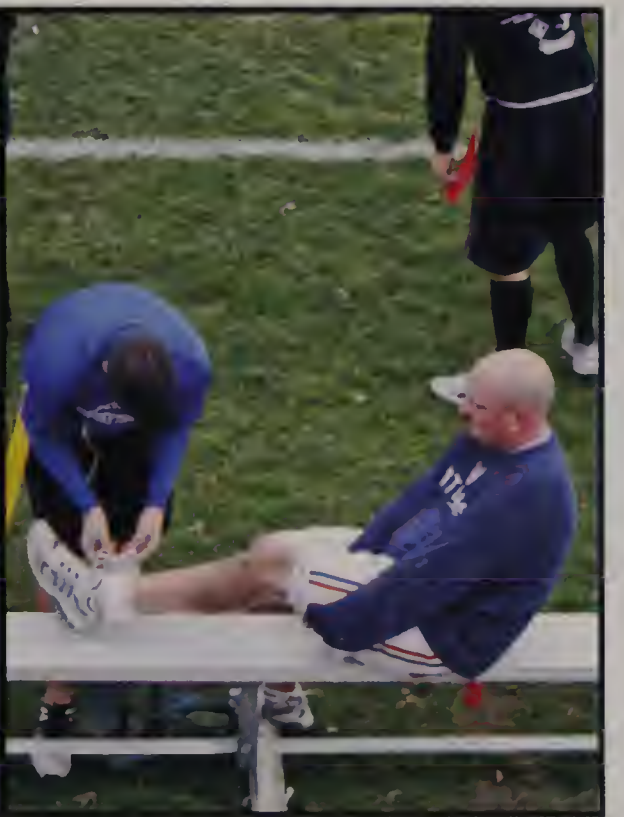

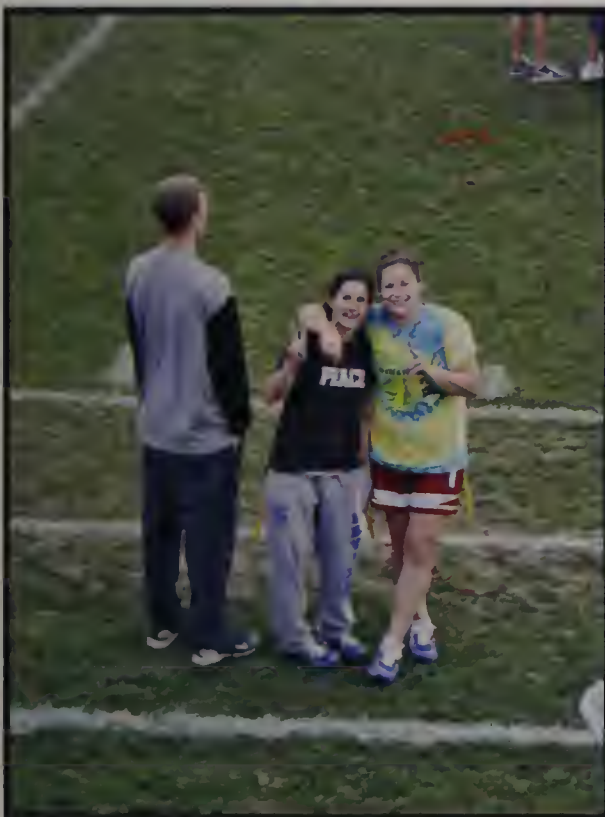

Above: Seniors Meaghan Baker and Kelsey Rapoza announce and score the first game.

Above: Seniors Dylan Pietraszek and Emma Sherman announce and score the rematch.

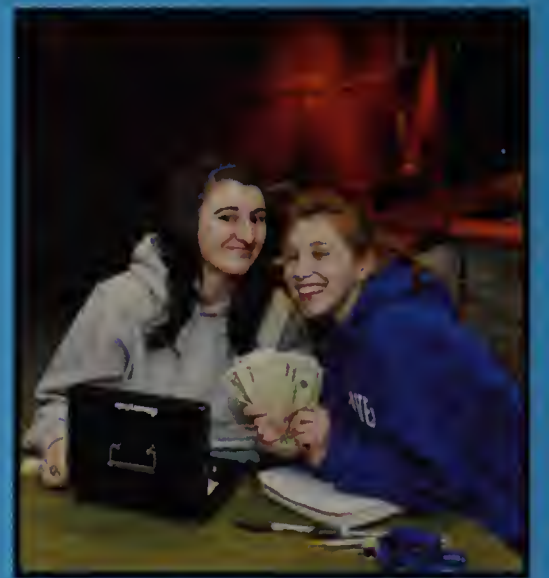

Student Teacher Basketball

The competition was fierce after both Flag Football games left the on going teachers and students rivalry with a 1-1 record in the fall. On Feb. 8th, the teachers and students were challenged to break that tie. After a hard-fought game by both sides, the teachers defeated the students, 61-59, on a buzzer beater shot by Mr. Goodine, one of the assistant football coaches. The teachers were led by Mr. Bulgar who put up an impressive game-high of 21 points and also added 13 rebounds. Mr. Blouin scored 10 points for the teachers and had a game high of 15 rebounds. Mr. Hevey was also a strong player for the teachers, with 13 points and nine rebounds. Not surprisingly, Mr. Bulgar, Mr. Blouin and Mr. Heevey all played basketball in high school.

For the students, senior Zach LeBlanc scored 20 points, and Brandon Bousquet chipped in with 13 points. Other strong players included seniors Doug Braley, Chris Costa, Tom Forcier, Zach Izedbski, Dylan St. Pierre and Nate Winterson. The students were coached by seniors Brad Carvalho and Dylan Pietraszek, who dressed as the boys basketball coaches Harding and Davis. Adam Mullen was the referee for the the night.
